

BEAM + Bricks = Fun!

2014 Summer Camps

Grab the LEGOs, cardboard, and newspaper! Get your little master creator ready to bring their imagination to life with BEAM+ Bricks. BEAM Experiences + Bricks4Kidz offers STEAM and STEM based Afterschool Enrichment Classes, Camps, Events, and Parties. BEAM + Bricks was created in order to provide experimental hands-on learning for children ages 18 months through High School.

Creator Camps geared for the builder combines robotics (EV3 Mindstorm & WeDo) and Stop Motion Animation allowing your child to create and build projects as big as their imagination.

Girls Only Camp: Ages 5-9 (\$225)

Grab your friends and come hang out with us for a girls-only week of crafting and creating with LEGO® bricks. Build adorable houses, cafes and fun motorized girl oriented models. We'll do lots of other unique things with bricks, from jewelry making to brick art and origami, with a take-home project each day. And don't worry... there are "NO BOYS ALLOWED!" Because this week is all about girls!

Jr Robotics (WeDo): Ages 5-9 (\$225)

How would you like to turn your next LEGO® creation into a robot, programmed to do exactly what you tell it to do? The Bricks 4 Kidz new Junior Robotics camp offers all the fun of building with LEGO® bricks, PLUS the challenge of computer programming! Using drag-and-drop icon-based software, WeDo software provides an introduction into the world of computer-programming and robotics that will equip children to succeed in a technology-based marketplace. This fun, action-packed week combines real-life skills with real-kid fun!

Advanced Robotics (EV3 – MindStorm): Ages 9-14 (\$250)

This is a five-day fun and creative summer camp learning experience for kids. Kids will work in pairs to solve challenges by building and programming robots using the LEGO® Mindstorms Robotics. In addition to having fun, participants learn about robotic programming, problem solving, and teamwork skills. The first part of each day includes structured lessons and activities to practice building and programming skills. Students create their own programs and challenges, where they will receive guidance and coaching. Students will have a partner for most activities, and are expected to cooperate and share well.

BEAM + Bricks = Fun!

Stop Motion Animation (Movie Making): Ages 8-12 (\$250)

Create your own STORY thru the BEAM Experience. Using the process of creative problem solving, each week you will learn to brainstorm, outline, build, animate, and publish your own story. Working in teams of 2-3, you will create a unique story based on your own unique imagination. Lots of ideas, images, sketches, and materials will be used to get your imagination going each week until an animation is created at the end. Building materials include LEGO, recycled materials, cardboard, and other materials to fuel your imagination. This fun, action-packed week combines real-life team building and creative skills with real-kid stop motion fun! *All Children will be able to download their movie and a certificate at the end of the session.

Coding Camps for the mathematically inclined integrate Mining and Crafting Classes (1 and 2) to create expansive buildings and cities that stretch as far as their imagination.

Mining and Crafting 1: Ages 6-10 (\$250)

Minecraft is a game about placing blocks to build anything you can imagine. At night monsters come out, make sure to build a shelter before that happens. Experience the world of Minecraft with LEGO® bricks in this fun summer camp!

Kids will start by crafting their shelters and some of the mobs, critter and tools using LEGO® bricks. Students will face new crafting elements from the popular Minecraft game.

Mining and Crafting 2: Ages 6-10 (\$250)

Steve is jumping for joy as he introduces the newest members of his Minecraft world. Whether or not your child has attended our first camp, reward them with the creativity and excitement this new camp has to offer.

Campers will be challenged to bring their virtual designs to life by building new mob figures, mosaic and custom models, incorporating LEGO® bricks. So, are you ready for the challenge?

2014 Summer Camps

Kids Choice Model Camps

Can't decide on a class? No problem! Kids Choice Model Camps allow your child to choose from three daily events, allowing them to shift their focus as their curiosity and imagination evolves. Aimed at younger friends these camps enforce fundamental building concepts through fun games.

Kids Choice Model Camp Group 1: (\$200)

CHI Challenge Camp Ages 5-9

Let the legend be told, that in the land of Chima®, only the brave survive. Eight animal tribes battle in pursuit of CHI, the balance of life. Campers will have the opportunity to choose their tribe, while building and battling for victory. Put your Chima® skills to the test throughout this camp, by racing Speedorz® and building motorized models with LEGO® Bricks. Does your tribe have what it takes to become the ultimate master of CHI? Your destiny awaits! LEGO®, Chima® and Speedorz® are registered trademarks of the LEGO® Group of companies which does not sponsor, authorize or endorse these programs.

Minute To Win It! Camp Ages 5-9

Based on the popular NBC game show "Minute To Win It", this camp is packed with fast-paced, fast-action building and good old-fashioned friendly competition. 60-seconds on the clock. Think you can do it? You've got a minute to complete the crazy challenges using exciting Bricks 4 Kidz LEGO models & every day household items! Each day offers new models and challenges as teams compete for the title of "Minute to Win It-Bricks 4 Kidz Style" Champions Day five features camper-created challenges to be played out by fellow competitors. And of course there's plenty of time for classic LEGO building and fun!

Space Adventures Camp Ages 5-9

Inspired by NASA and Star Wars™, our Space Adventures Camp is packed full of models that will make your imagination blast off! Each day, campers will learn about real-life space exploration and build models related to the NASA space program. In addition, the day includes LEGO Star Wars™ themed models, video games, group games, challenges and more. Bricks 4 Kidz Space Adventure camp provides the spark for imagination and creativity to take off on an adventure that's out of this world!

Kids Choice Model Camp Group 2: (\$200)

Amusement Park Camp Ages 5-9

Get your ticket to ride at Bricks 4 Kidz® very own Amusement Park! Campers will build a new ride each day, learning how to make things spin, roll, turn and rock. Then they will take what they have learned to design their own thrills and challenges. Motorized models maximize the action and the fun. Each camp day includes carnival-themed games, group challenges, model-building and more.

Ninjago Camp Ages 5-9

Come play with all the new LEGO Board Games & Ninjago characters ...In addition to playing with Ninjago Ninjas & all the fun LEGO® board games, we will be tapping into our imagination and discovering our creativity as we attempt to create anything related to games out of LEGO Bricks...for example, we will make replicas of game boards like tic-tac-toe, famous video game characters & more...What game can you come up with to make a replica of...or come up with your own game?

2014 Summer Camps

Super Hero Camp Ages 5-9

Join Bricks 4 Kidz® for a week building Super Heroes with LEGO® bricks. Explore all the caped crusaders and discover their super powers. Create a fantasy world and protect it against all the evil arch enemies with custom contraptions made with LEGO® bricks. At the end of the week, all SUPER HERO CAMPERS will go home with a custom mini figure! Copyright Bricks 4 Kidz® 2012. This camp is not affiliated with Marvel Comics.

Kids Choice Model Camp Group 3: (\$200)

Extreme Expedition Camp Ages 5-9

Open “TOP SECRET” envelope during “Mission Instructions” each morning. Build a Force of Nature Model, complete a challenge to get the missing pieces, and build a “Rescue” vehicle. At the end of each day, teams will compete in a race/relay involving the model(s) they built. When they complete the race, teams will receive pieces of the “mystery model” – the objective of their Extreme Expedition. This mystery model is a mini-model they get to make at the end of the week, the LEGO pieces collected each day will be used to “complete the mission” – build the mini-model to help them zoom away from their base camp, Mission completed.

Angry Birdies/Bad Piglet Camp Ages 5-9

Enter into the world of Angry Birds® and Bad Piggies®...the Bricks 4 Kidz way! Campers will be challenged to physically build and destroy a level from the popular game of Angry Birds. Set your birds to flight by launching them on catapults and slingshots to destroy pigs. Build a working launcher to create things to knock down. Campers will have the ability to build different colored birds using LEGO® Bricks, along with our proprietary model kits.
